February's Highlights

JLB delegates at AJLI Tampa Training

Love was in the air... Graduation: **Out Of The Box Youth Financial Literary Program** graduated 50 excited teens from the program with fully funded savings accounts.

Personal Development Training: **Networking session** required training for any one in the business field and those who want to make a real difference in our community. We understand that proficiency in making the right connections means everything. It is not what you know but who you know.

Future Leaders! AJLI Training: The JLB sent eight members to AJLI's Organizational Development Institute.

Good Stewardship – The Presidents Forum: The fireplace was ablaze as we discussed the strategic direction for the League. The League works with purpose when Members are engaged in dialogue that help steer the direction of the League.

Esteem Team is now full speed ahead and we

certainly had fun crocheting squares with the mentees.

Mardi Gras Membership Fun Event – We had a lovely time at Floyd's on Atlantic Avenue. Great nosh provided by Mary Laura's beloved Brad and her fellow Louisiana friend and chef Marc Elliot. We were blessed with their dirty rice and down home gumbo and authentic king cakes. \$500.00 was raised in support of our sister League, JL of New Orleans for their rebuilding effort.

This offer ends March 31.

Community Outreach/ Promoting JLB: We are on the Community radar and our support is being sought. The Board and Council have been

Attending functions and trainings making contacts and building our database and building new partnerships.

Note: Applications for the JLB **Community Awards** will be sent to High Schools on March 5th.

General Membership Meeting March 27, 2007: It is important that you attend General Membership Meetings. It is an opportunity for you to connect with Members and catch up on what the League has been doing but more importantly,

it is a time for you to be a participating member of our organization – providing solution and staying knowledgeable on our work. Your attendance at this particular meeting is vital.
